#### **School Wildlife Competition**

Southville Primary School was chosen as the winner by the Sustainable Southville Project for the children's work to encourage wildlife in their school garden.

#### **Best street awards**

The following streets were recognised for the combined efforts of their gardens, Parson Street (between Parson St Station and Bedminster Road), Allington Road and Gladstone Street

#### **Best Business awards**

The following business were recognised in this category The Imp pub and Thomas Davis Funeral directors

Pictures of the winning gardens can be seen at the Southville Centre and the Riverside Garden Centre or visit [www.frontgarden.org.uk](http://www.frontgarden.org.uk)

**Thanks**

The Front Garden Competition would not be possible without the Kind support of our sponsors Southville Community Development Association (SCDA), Riverside Garden Centre, 02 'It's Your Community' fund and Highcroft Veterinary Group, our thanks go to them.

The competition would also not happen without the generous time given by scores of volunteer judges, they deserve a lot of thanks.

### Could it be you next year?

Could you organise the Front Garden Competition in 2009?

After 6 year the organiser of the local Front garden Competition, Mathew Symonds will be taking a well earned rest from the competition in 2009. We're on the lookout for volunteers to organise the competition is to happen next year. If you're interested then please contact the Southville Centre on 0117 923 1039 or email [info@southvillecentre.org.uk](mailto:info@southvillecentre.org.uk)

Best wishes

Mathew Symonds  
(former) Front Garden Competition coordinator
